## HOW WE MEASURE EVENT-FREE DRIVING

How we measure event-free driving:

- For smartphone-enabled DQ-Track clients, a 4 Star or 5 Star trip is considered event-free.
- For standalone DQ-Track clients, trips with no harsh acceleration, braking, cornering and no speeding are considered event-free.

You will need to drive 100 consecutive kilometres event-free. Event-free kilometres are determined on a trip basis. This means:

- If a trip has a harsh event or is rated a 3 Star trip, the whole trip is discarded.
- As soon as a trip is discarded, your event-free kilometres total is reset to zero.

## HOW TO REDEEM YOUR ACTIVE REWARD

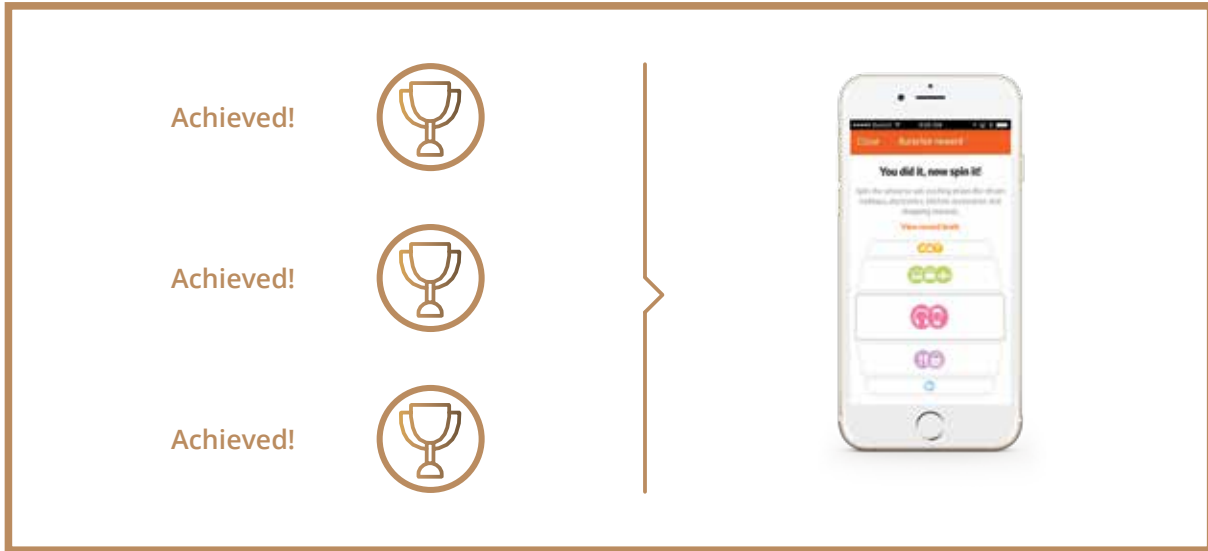

- We will send you an SMS if you have achieved a 100 consecutive kilometres of event-free driving.
- Once you have received the SMS, you need to go to [www.discovery.co.za](http://www.discovery.co.za) or log onto the Discovery corporate app to redeem your reward.
- Your reward needs to be redeemed and purchased within two weeks of receiving the SMS, or it will expire.
- Please make sure your contact details are up to date to receive notifications.
- You can only earn one Active Reward per week.

Read the details and terms and conditions of Active Rewards [here](#).

## EARN THREE ACTIVE REWARDS IN A ROW TO EARN A SURPRISE REWARD

Clients who earn an Active Reward each week for three weeks in a row, will qualify for a surprise reward, like dream holidays, local trips, shopping rewards and more.

### What you need to know

- You will earn a surprise reward in addition to your weekly Active Reward of a coffee, smoothie, popcorn or discounted car wash.
- You need to achieve your weekly goal for 3 consecutive weeks.
- You have two weeks from the date the surprise reward becomes available to select a reward. If you don't spin the surprise rewards wheel and select a reward within this time, it will expire.
- You can earn one surprise reward every 3 weeks.
- Read the details and terms and conditions of surprise rewards [here](#).
